

BIOEF OFFER

The Basque Institute for Healthcare Innovation, O+Berri, is looking for an **Innovation Manager**.

Ref.: 0010030097

The Basque Institute for Healthcare Innovation, O+Berri, is looking for an Innovation Manager. He/she would be responsible for monitoring and support of innovative projects within the public Basque healthcare system.

PROFILE

Requisites:

- Have at least 3 years experience in project management and/or consultancy (experience in EU-funded projects will be particularly valued).
- Excellent relational skills and leadership capacity.
- A good command of English. Knowledge of Euskera will be highly valued.
- Knowledge of the Basque Healthcare System, its culture and management structure and processes.

It will be valued:

- A proven research record (publications, participation in research projects, capacity to attract research funding) on a relevant field. Research on healthcare systems/services, organisational science, and public health would be particularly valued. To hold a Master's degree or a PhD would be desirable.
- Knowledge of qualitative and quantitative methods of research on health or social sciences. Experience with action-research methodologies would be particularly valued.

O+Berri offers a six month contract and the opportunity to contribute to an ambitious project of transformation of the Basque healthcare system, within a multidisciplinary team, and in a learning environment.

Salary would adapt to credits and experience of the candidate.

As a means to pursue excellence in healthcare organisation, O+Berri aims at fostering organisational innovation within the public Basque healthcare system. O+Berri belongs to the Basque BIO Foundation, promoted by the Department of Health and Consumer Affairs of the Basque Government and Osakidetza.
